2022 Client Letter

I would like to wish you all a Happy New Year! Our location has moved to Suite 204. We would like to thank you for supporting & trusting us with your small business and individual tax preparation throughout our 6-year journey.

The deadline for individual tax preparation is 04/18/2022. IRS is still focusing on the sale and exchange of cryptocurrencies. For tax updates, go to www.jmb.tax or follow us on Facebook @JMB Tax & Accounting.

If you are a member of a calendar year partnership, LLC and/or corporation. The deadline to file is March 15. Make sure you get an extension to prevent late filing penalties. This year you must request, JMB Tax & Accounting to file your business privilege tax. Alabama Business Privilege Tax form needs to be filed and paid by March 15.

I will begin preparing tax returns on 01/18/22. Organizers are accessible on www.jmb.tax or you can request an organizer to be mailed out.

Reserve an appointment today! You have the option to request an appointment online at www.jmb.tax, drop-off, mail-in, fax or email your tax documents. You must fill out the tax organizer with any add-on organizers and include it in your documentation.

Best Regards,
