

TAX + ACCOUNTING

BUSINESS + INDIVIDUAL TAX PREPARATION

2024 Client Letter

I would like to take this opportunity to thank you all for your dedication, support, and loyalty throughout the years.

The deadline for individual tax filing is 04/15/2024. IRS is still focusing on the sale of digital assets & cryptocurrency. For tax updates, go to www.jmb.tax or follow us on Facebook @JMB Tax & Accounting.

If you are a member of a calendar year partnership, LLC, and/or corporation. The deadline to file is March 15. Make sure you get an extension to prevent late filing penalties. This year you must request JMB Tax & Accounting to file your business privilege tax. To avoid late penalties, The Alabama Business Privilege Tax form needs to be filed and paid by March 15.

I will begin preparing tax returns on 01/17/24. Organizers are accessible on www.jmb.tax or you can request an organizer to be mailed out. You can also request a link to our secure portal to upload all your tax documents and/or financial statements.

Reserve an appointment today! You have the option to request an appointment online at www.jmb.tax, drop off, mail-in, fax or email/upload your tax documents. You must fill out the tax organizer with any add-on organizers and include it in your documentation.

Best Regards,

John Brown, E.A.
